The Member Life Assistance Program was established as a means of providing Association members with services that positively impact the quality of their lives and that of their families. Our mission is to provide information, coordination and assistance to families during times of need. Generally, the benefactors are those who have separated or retired from service. However, MLAP stands ready to assist existing programs supporting our active duty and reserve members if requested by the Command Family Support Coordinator, Care Coalition Liaison or assigned Patient Advocate.

O.A.S.I.S Group is a non-profit 501 (c)(3) dedicated to providing United States Special Operations personnel, their family members and former Special Operations Veteran's assistance with the United States Department of Veteran Affairs. Comprised of former Veteran Administration (VA) claim specialists, Spec-Ops Veterans and volunteer medical professional, O.A.S.I.S provides the member with over 80 years of combined comprehensive understanding with the Veterans Administration processes and systems to ensure fair and thorough evaluation of your benefits. www.oasisgroup.org
